Aloha from the Worthy Grand Matron

Hello Sisters and Brothers,

WELCOME SPRING! Spring is my favorite season of the year. I love to watch everything come alive after a long winter's sleep. The colors are so vibrant! Nothing beats the Redbuds, Forsythia, and Lilacs in bloom. The leaves on the trees are a beautiful shade of green—and it is mushroom season! I used to go with my mom around the Anderson area and we would often come home with a mess for dinner (or supper as we called it). I believe we were trespassing most of the time but never got caught. Good memories.

As you read this article the Grand Star Points are deep into their Honor Night schedule. We have five very beautiful ladies—both inside and out. They have given a year of their life to spread the teachings that our order is founded on. I urge you to attend these honor nights, not only to hear their stories, but to become acquainted with them. Brother Cary and I are so proud of each one and we don't think you will find better people anywhere. Don't hesitate to introduce yourself and chat for awhile.

I am in high gear with the last inspections in each district and the last of the luncheons. I cannot believe how creative and humorous the addendums have been. Where do you come up with these ideas? And they are all so different! How sad it is to think that our year is so close to ending. I've enjoyed every minute. More importantly I'm enjoying the hugs and fellowship that I share with members in every chapter. Don't forget to stop and get your hug when you see me.

May all your days be filled with Sunshine.

Love and peace,

Sonda

P.S. For icy door steps in freezing temperatures: Get warm water and put Dawn dish washing liquid in it. Pour it all over the steps. They won't refreeze.

Sisters and Brothers,
 Wow, here it is already time to write my March-April article. Bad thing is, I had an extra month to get this article done and I'm still a couple of days late in getting it in to Nancy. Sorry. I'd like to take this opportunity to thank Sister Nancy Pratt and Sister Gail Bailey for all of the work they do in getting this magazine to print. I'm sure I'm missing someone, but these are the two that take all of the heat and call Sister Sonda and me when our articles are late.

As I'm writing this article, we are back into inspections and deputy receptions after the holiday break. We also are having a good time giving out Grand Representative appointments. It is really a pleasure to get to present these Sisters at the altar. They are really surprised when Sister Sonda tells me the name of the Sister to present at the altar. We didn't have very many to give out during the first part of our year, but I believe Sister Sonda picked up about twenty packets right after the first of the year.

As you are reading this we are actually getting ready for the last go around of inspections and trying to get ready for Grand Chapter. As soon as I get done writing this article I have to start working on my advanced report for Jonny so she can get the Advance Proceedings book sent to the printers.

As I have said before, I don't know who put the clock on hyper-drive, but this year has just flown by. I really don't believe it is the middle of January already. Last year went fast, but this year has gone by so fast that I haven't had time to be nervous about anything. Everything has gone fairly smooth. There have been a few bumps, but we have kept on trucking.

As I close, I hope to see everyone at the receptions and at the inspections. Have safe travels and be careful as we still have a couple of months of bad weather to make it through.

Cary Hetrick, WGP

GRAND REPRESENTATIVE OF DELAWARE IN INDIANA HONORED

It was a breezy, cold December Saturday outside, but it was like a warm day at the beach in Delaware at Clinton Chapter #6 in Frankfort on December 15, 2012 as we honored Sandra Mays, Grand Representative of Delaware in Indiana. Sandra and her husband Elmer greeted guests and Paul Mangis, PP, took photos in front of a backdrop of the sea, complete with a lighthouse and a clipper ship. Other decorations in the Chapter room reflected life in Delaware with lighthouses, shells and the State Seal of Delaware gracing the East.

The reception began with prelude music by Virginia McCabe, PGO. The welcome was given by Ledina Bowen, WM of Clinton Chapter.

Sandra was escorted to the altar by Cathy Scott, Grand Representative of Washington in Indiana, where David Neal, PP, sang her a version of Jesus Loves Me for adults. She was then dressed as a cow, a symbol of Delaware, and greeted in the East by current and former Grand Representatives holding symbols of Delaware. The strains of Delaware's state song, "Our Delaware", was often heard throughout the day.

A tribute to Sandra was given by Kathy Livings, PGM. She and Bill Shoulders, PGP, presented her with a beautiful mother-of-pearl globe.

Sandra introduced those assisting her and then her guests including: Kathy Livings, PGM; Bill Shoulders, PGP, and wife Lynn; Betty Swisher, Grand Conductress; Kim Zook, DD#15; and four current and sixteen former Grand Representatives. As the current and former Grand Representatives were escorted they were given gifts of beautiful seashells. She then introduced eleven family members. Grand Chapter Committee Appointments, Worthy Matrons and Patrons, Past Matrons and Patrons were introduced. She asked Members of Clinton Chapter to stand and thanked them for all their hard work preparing for her reception. She also recognized several friends who attended.

Sandra then told us about her trip to Delaware and some of her experiences at their Grand Chapter. Their Memorial Service impressed her and also an impressive Parade of Flags. They used lighthouses and doves as decorations. Their state membership is 1,209.

Remarks were given by Jan Warner on behalf of all the Grand Representatives thanking Sandra for their invitations and gifts. Kim Zook, DD#15 thanked Sandra and wished everyone a Merry Christmas.

A program entitled "Post Cards from Delaware" was presented. The question was asked "Are you Delaware?" Then a fun fact about Delaware was read by various members of District #15. After the fact was stated, everyone exclaimed "That's Amazing!" We learned many interesting facts about Delaware, a state with many names such as "The Diamond State" or "The Blue Hen State". Also, Delaware was the first state to join the Union on December 7, 1787. The program ended with David Neal singing a song he wrote especially for Sandra - a parody to "Back Home Again in Indiana".

The Mizpah Benediction was repeated followed by the Benediction given by Betty Swisher, Grand Conductress. Table Grace was given by Bill Shoulders, PGP. Everyone was invited to the beautifully decorated dining room for a delicious meal and table favors of lovely seashells.

FRANKLIN INITIATES ANOTHER THIRD GENERATION

On the historic night of December 12, 2012 (12-12-12), Franklin Chapter initiated two candidates; both were family members of officers who gave a share of the initiation ceremony that evening.

Doris Winton, mother of Kathy Moore, Associate Matron and the mother-in-law of Richard L. Moore, Associate Patron, became the third generation with Kathy and her daughter Lexi Moore Johnson in the Order of the Eastern Star at Franklin. The Moore's already have a third generation in Eastern Star with Richard A. Moore, grandfather of Lexi Johnson and another daughter Sheila as members also.

George Quigley, father of Mary Ellen Quigley was also initiated making their family second generation Eastern Star members at Franklin also.

Mary Ellen Quigley is serving as Adah this year and Kathy and Richard L. Moore are serving as Associate Matron and Patron for Franklin Chapter.

Last year Jennifer Reichel and her mother Jan Reichel were initiated into Franklin Chapter, and Jennifer was a third generation also. Her grandparents, Walter and Katherine Jones and daughter Sharon Dewitt (Jennifer's aunt) were already members of the chapter.

DAWN DISHWASHING DETERGENT: IT'S NOT JUST FOR DISHES!

1. Dawn Dishwashing Detergent Kills Fleas-Many pet care sites talk about combing your dog or cat with a fine toothed comb and then dropping any fleas removed into a solution of soapy water made from liquid dishwashing detergent. Wash the animal's bedding in soapy dishwashing liquid and warm water for the same reason. So washing an animal in the same soapy water would have a similar effect. And Dawn dishwashing detergent would be much milder to your pet than flea and tick spray.

2. Dawn Repels Ants-A solution of Dawn dishwashing detergent and water, when sprayed directly on countertops and sinks, leaves a safe residue for kids and pets. Ants, however, do not like it and will not walk over it. Also, spraying the solution directly on the ants will kill them.

3. Dawn Is Fun to Play With!-Mix Dawn dishwashing detergent with water to make homemade bubble blowers. We found that Dawn makes the best bubbles compared to other detergents we tried.

4. Dawn in Your First Aid Kit-Dawn dishwashing liquid makes an effective and less messy icepack than using ice. Pour Dawn dishwashing detergent into plastic baggies, seal it and freeze it. The cold effect lasts longer than using regular ice and this is reusable, whereas ice melts and has to be replaced.

GENERAL GRAND CHAPTER COMMUNITY SERVICE

Being appointed General Grand Chapter Committee Member on Community Service by our Most Worthy Grand Matron Sister "Bobbi" White not only is a great honor for me but is something that I believe in. Sister Bobbi's vision for this committee is to get our Eastern Star involved in our communities and show what great philanthropic work our organization does. For instance, the Service Dog Project that Indiana participated in during 2011-2012, brought in over 1 million dollars worldwide. Our organization is a loving and caring group and what better way to get our message out than in our own communities.

I will be asking our chapters to get out and do a project in your community. For instance, my own Pendleton Chapter recently helped a local church start an outreach program for those who have been hard hit by the economy. We went to the church and under their guidance, cooked breakfast for the community. We served Belgian Waffles, scrambled eggs, sausage, milk, coffee and orange juice. The Township Trustees participated in identifying those in need enabling them to have a good hot breakfast to start their day.

This year, our Worthy Grand Matron has an "outside" Project called "Wings of Hope". Wings of Hope is the largest and oldest volunteer aviation charity in the world. By using smaller aircraft with unpressurized cabins it is more cost effective than flying larger planes. With an average flight costing \$500-\$800 it takes over \$500,000.00 a year to run the Medical Relief and Air Transport. Transporting more than 700 patients last year alone, their services are provided at no charge to the patients and their families with more than 85% of them severely disabled children. This organization

was also nominated for the Noble Prize for Peace in 2011. What a great opportunity for each of us to show the world that Eastern Star cares. For more information on this organization go to: <http://www.wings-of-hope.org/>

So whether you are cooking for a small community, or donating to a worldwide project, it is up to each of us to demonstrate to the public that the Order of the Eastern Star is more than just a "women's organization" that has "secrets and rituals". That we take to heart the lessons of the Heroines of our Order and we live those lessons through our actions. Please feel free to contact me for any help you may need for your chapter to get out and make a difference. The first step is to identify the need, and I can tell you the need is overwhelming. The next step, discuss in your chapter what you can do. Once you have a project in place, execute the plan. Let me know if you need help or just let me know what your chapter is doing. Let others know that we are Eastern Star. If you noticed, Pendleton Chapter wore simple tee shirts letting everyone know who entered who we are. Display our Star proudly but remember it is a copyright image.
